

BRISTOL 45 DINER

Cruise-in Car Show

The theme of the Bristol 45 Diner appeals to all ages. Younger generations love the bright colors and fun atmosphere, while the vintage pictures and other nostalgia reach out to those who remember "those fabulous fifties." The red and silver zodiac booths, boomerang tables, black and white tile, and the infamous soda counter provide a unique experience for all ages. Fifties music plays in the background while you converse, reminisce and enjoy our wonderful food!

The number "45" is the common denominator between our location and décor. The diner is located on Highway 45, a well-traveled county highway. It also is used throughout the diner with our display of 45 records which were so popular in the 50s.

Cruise-in car shows will be held on the 1st, 3rd and the occasional 5th Monday of each month, from 4:30-8pm, weather permitting.
