My father, Bob Tasca III, is an NHRA race car driver, and our family has proudly been involved in motorsports for over 80 years. We look forward to sharing our passion for cars and racing with you.

We invite you, your family, and your friends to join us for a morning of great cars, great coffee, and great company.

Bring your favorite car or truck and show your pride and joy. All makes, all models, and all years are welcome—vintage classics, modern exotics, hot rods, muscle cars, trucks, and of course Corvettes.

Enjoy complimentary coffee and donuts while meeting fellow enthusiasts and Tasca family members.

OVER 80 YEARS OF RACING HERITAGE

TASCA Racing

I look forward to meeting you and seeing your vehicles.
